COMMUNICATION

- Instant chatting or communication with teachers
- Live Video calling
- Live Virtual tutorial sessions
- Email & Phone
- Daily progress reports

INSTRUCTION

- Highly qualified, certified content teachers (required to be certified in teaching content, unlike cyber charter schools)
- A streamlined organization of content to help students visualize their own progress and to prioritize their learning time
- Instruction that aligns with the SVSD curriculum and PA State Standards to ensure that the same high-quality content is being delivered across all settings
- SVAOC and traditional building teachers collaborate to align material
- One-on-one support
- Ability to pursue unique talents/passions
- Access to an individualized learning path designed to meet students at their learning level promotes student ownership
- Ability to work at your own pace

STUDENT SERVICES

- Gifted Program
- Special Education Support
- Speech
- OT/PT
- Guidance Services
- Libraries and resources

- Student progress is monitored at the building level
- Both building level and SVAOC principals, teachers, special education, gifted support, and counselors support the transition back to brick and mortar setting
- Higher academic achievement scores than cyber charter programs
