

Your instructor requests that you enroll in the following class:

Class: Your teacher will give you this information.

Code: Your teacher will give you this information.

If you do not have a Quia account yet, follow these steps to enroll. (If you do have a Quia account, skip ahead. Your instructions are below.)

Step 1. Create a Quia account. To do this, go to the Quia Web site at <http://www.quia.com/web>. Look right below the Quia logo in the upper right of the window. If there is a line that starts, "You are logged in as," it means the previous user is still logged in. Click the "log out" link.

Step 2. Now, click the green area labeled *Student Zone*. It's on the right side of the page about halfway down. When the next page appears, click the button labeled *Create an account*. Fill out the form that appears and press the *Create my account* button.

Step 3. You should now be in the Student Zone. Click on the yellow button next to the words *Add / Drop Classes*. Type in the class code _____ and press the *Add class* button. Now you're done!

If you already have a Quia account, follow these steps instead:

Step 1. Go to the Quia Web home page at <http://www.quia.com/web>. Look right below the Quia logo in the upper right of the window. If there is a line that starts, "You are logged in as," it means the previous user is still logged in. Click the "log out" link.

Step 2. Now, click the green area labeled *Student Zone*. It's on the right side of the page about halfway down. When the next page appears, enter your username and password in the region labeled *My Student Zone* and press *GO*.

Step 3. You should now be in the Student Zone. Click on the yellow button next to the words *Add / Drop Classes*. Type in the class code _____ and press the *Add class* button. Now you're done!

Now that you have registered for your instructor's course, you can take quiz sessions and view your results, including your instructor's feedback.

Follow these steps to take a quiz session and view your results:

Step 1. Log into your account. (Remember, go to the Quia Web home page at <http://www.quia.com/web> and click on Student Zone.)

Step 2. To take a quiz session, you'll need the quiz session name from your instructor. Enter the session name in the Session name field. This is near the top of the page, next to the blue circle. Click *Go*.

Step 3. You should now see the quiz session login page. Enter your name and/or enter your username and password so that your scores are recorded for you in the Student Zone. Click *Start Quiz*.

Step 4. Take the quiz and submit it. Click *Done* on the results page to return to the Student Zone.

Step 5. To view your results and your instructor's feedback, click *Go* next to *My Results* and click the bar graph icon.
