

Seneca Valley School District - STUDENT EMAIL

All students have school email accounts.

- The email system is 'closed'. Students may send and receive email within the 'closed group' of students and teachers. Email outside the closed group will not be sent or received.
- As a safeguard, all student email is archived.
- The format for student email addresses is: USERNAME-STUDENT@svsd.net (for example: jonest-student@svsd.net)

Accessing student webmail from a **SCHOOL computer**

Go to <http://webmail365.svsd.net>. Note: email will be accessed for the student that is currently logged into the computer.

Accessing student webmail from a **NON-SCHOOL computer** or OFF-CAMPUS:

Go to <http://webmail365.svsd.net>.

When prompted to login:

- Username: USERNAME@svsd.net (for example: jonest@svsd.net)
Password: (your network password)

Accessing student email directly from a **personal device** (*Active Sync compatible*)

On devices that support Active Sync technology (Windows phones, iOS devices, etc.) simply enter the following information:

- choose add "Microsoft Exchange Account"
- email address: USERNAME-STUDENT@svsd.net (for example: jonest-student@svsd.net)
- username: USERNAME@svsd.net (for example: jonest@svsd.net)
- password: (your network password)

Note: If prompted for the server name, use: webmail365.svsd.net
Domain: do not fill in this field.

Accessing student email directly from a **personal device (*NOT Active Sync compatible*)**

Devices that are not Active Sync compatible may require additional information.
