STUDENT HANDBOOK

INTRODUCTION

Welcome to our 5/6 Middle School! The staff and administration have worked hard to design a program of studies which you will find to be both diverse and challenging. Now it is up to you to put forth your best effort and take advantage of the many opportunities. Our middle school is specifically designed to meet the academic and developmental needs of adolescents. Several of the unique features include:

- An activity period, which provides students with an opportunity to sample a variety of activities.
- An advisory program, which provides an opportunity for students to discuss upcoming events and building issues in small discussion groups.
- An interdisciplinary curriculum, which creates connections between subject areas to enhance comprehension.
- Teaming, where students are organized into CORE teams which include, math, science, ELA and social studies.

BE PROUD OF YOUR SCHOOL! Take good care of it and be appreciative of the efforts of others. You are fortunate to be a part of an outstanding school district which offers a comprehensive quality educational program. We have established a proud tradition and remain committed to excellence in the future.

Please read the following student handbook information carefully to find out about general procedures and important school policies. Using

your planner should become part of your daily routine.

Amendments to the Handbook

It is possible that after the printing of this handbook, corrections or changes may be made. Students will be advised of additions or deletions. The most current version is available on our website.

Seneca Valley Portal

The SV Portal provides secure central access to all personalized resources available to SV parents/guardians and students. Available at this site for 24/7 viewing and/or updates are grades, contact/emergency information, health information, classroom calendar, sports forms and more.

Emergency Information/School Closing/ Delays/Early Dismissals and School Messenger

When Seneca Valley School District has a closing or delay, the district will first utilize School Messenger, a parent notification system, which will be programmed to call the primary phone

number as listed for each child. In an emergency situation or in the event that the district goes from a two-hour delay to a closure, an emergency call will be sent to all provided numbers per student (this is the primary number and up to two additional numbers provided per child) to ensure that the information reaches all those effected by the emergency or change in status.

School Messenger information will be collected/ updated at the beginning of every school year, and parents are encouraged to update the parent portal with any changes.

Student Services

Guidance

Our counseling program is concerned with all phases of a student's development. Counselors assist students with personal and social issues that arise during the school day. The counselor will be available to help students with scheduling classes, with academic issues and with beginning to look at future educational plans. Emphasis is directed toward personal, academic and career growth that will prepare students as they transition into Middle School.

Counselors are an integral part of the CORE team of teachers. They attend team meetings and act as a liaison for parents, teachers, and students.

Any parent or guardian who has a question or concern about their child's progress in school is encouraged to contact your child's school counselor:

- Haine Middle School's Guidance Counselor at 724-776-1325.

The McKinney-Vento Homeless Assistance Act

The McKinney- Vento Homeless Assistance Act can help provide school stability for children if you do not have a permanent home and are:

- Staying with friends or family because you lost housing
- Living in a shelter, including transitional programs
- Staying in motels because you cannot get your own home
- Living on streets, in a car, van, tent or other nonpermanent structure

If you need assistance or have questions please contact the school counselor or the district homeless liaison, Dr. Sean McCarty, Assistant Superintendent at (724) 452-6040.

Homebound Instruction

If a student is confined to his or her home for a period of more than two weeks, he/she may be eligible to receive homebound instruction. In submitting requests, a parent/guardian must present a statement from a medical doctor indicating the appropriateness of such a program. All requests will be processed through the School District's Central Administration Office.

Seneca Valley Academy of Choice

The Academy of Choice provides students with a world-class virtual and performing arts education with opportunities to participate in a wide range of district activities and individualized instruction and support by **certified** and **highly qualified** members of the Seneca Valley School District professional teaching staff. Benefits include flexibility of scheduling, traveling and exploring career options! Please visit the Seneca Valley School District website for more information. <http://www.svsd.net/Domain/1092>

Y.E.S.S. Student Assistance Program **(as per Policy # 236)**

Y.E.S.S., the Youth Education Support Services program is Seneca Valley School District's Student Assistance Program. Student Assistance is the Commonwealth's vehicle to identify barriers to a student's learning and to provide programs to

address these barriers thereby enhancing a student's academic and personal development. Barriers to a student's learning can be complex and may include things such as a recent move or relocation, sudden grief and loss, attendance issues, use of substances, being the victim of violence or harassment, poor coping skills, depression and anxiety, poor organization and study skills, and strained relationships.

The goal of Y.E.S.S. is two-fold. First, Y.E.S.S. provides intervention and referral services via existing school programs, the school mental health liaison, and/or outside community resources. Existing school programs may include school-based support groups individual counseling, and mentoring. Second, Y.E.S.S. has a prevention component which promotes healthy lifestyles through student education, leadership programs, and alternative activities. Y.E.S.S. also provides support services and education to school personnel and parents regarding those issues which effect a student's personal growth and ability to learn.

The Y.E.S.S. Core Team facilitates each building's programs. The Core Team may consist of a coordinator, teachers, counselors, a school nurse, administrators, and liaisons from the community. Some members of the Core Team are specially trained and certified by state student assistance providers to work with students.

The Y.E.S.S. program provides ongoing information and resources to students, parents, school personnel and the community. Additional information can be found on the Middle School webpage under "Services."

Attendance (as per Policy #204)

Student Absence:

When a student is absent, parents/guardians will be notified during the school day.

Following a child's absence, parents can submit an excuse on the Parent Portal, or upon returning to school, students must submit a signed excuse from the parent or guardian to their homeroom teacher. If the student went to the doctor, a medical excuse should be provided so that the absence can be recorded as medically excused.

Failure on the parents'/guardians' part to provide a written explanation for the student within five (5) days of the student's return to school, will result in the absence/tardy being marked unexcused. The fact that a parent/guardian provides a written explanation for the student's absence/tardy does not in itself qualify the absence as excused. The absence must be for a legal reason according to the law. **Under NO circumstances should a student be permitted to write his/her own excuse, even if it is signed by the parent/guardian. Such day(s) of absence(s) will be considered "Unexcused."**

Upon returning to school, students should immediately make plans with their teachers to make up all work missed during the absence. This is the student's responsibility.

Illness/injury (be specific) may be verified by a medical doctor's excuse or parental note indicating the nature of the illness or injury. A written excuse from a parent/guardian will be accepted to excuse up to five (5) consecutive and/or twenty (20) days in session. After this time, the district will send notification to require parents/guardians to verify any future illness/injury with a specific written excuse from a medical doctor. Note: After ten (10) parent/guardian notes have been presented to verify chronic illness/injury, a medical note may be required. An excuse/letter may be provided by the student's doctor that states he/she may miss school due to a specific illness and parent must refer to that specified illness when writing an excuse for each subsequent absence. These absences will then be excused. A new excuse/letter from a doctor must be provided every 90 days.

Early Dismissal

Early dismissals from school require advance notification through the Parent Portal. Simply go into the portal, to "Attendance," where you will find "Dismissals," to submit a new early dismissal request. Each early dismissal student is added to a list, which is provided to teachers for a reminder. At the early dismissal time, the student will be called to report to the office to meet his/her parent when the parent has arrived. **Parent must provide photo identification.**

If someone other than a parent/guardian is picking up a student, parents must inform the office prior to the dismissal. Acceptable reasons for early dismissal are medical appointment and family emergencies.

If a student is being picked up by a parent/guardian – and their assigned transportation by SVSD is to ride a bus, the student MUST get signed out in the office.

One all-school announcement will be made at approximately 3:15 daily to inform students to report to the office for dismissal.

Cafeteria

A child with any food related allergy must fill out the special dietary form found on the web site and return it to the cafeteria manager.

Breakfast – Breakfast is available in the large cafeteria.

Lunch – The current lunch menu is always available on our homepage. Please follow the apple icon on the upper right-hand side of the page. Please note, the menu may change without notice.

- **Please note that as parents you are welcome to eat lunch with your child(ren) on their birthday ONLY.**

When a student's account balance is low, the cashier will notify the student. Funds may be

added to student accounts at any time by registering at myschoolbucks.com or by sending cash or a check in an envelope. Checks should be made payable to SVSD – Café with the student's name and homeroom number on the memo line.

All students are required to eat lunch in the cafeteria. You may carry your lunch from home or purchase a lunch and/or beverage in the cafeteria. To ensure that all students are well mannered and conduct themselves in a respectful fashion, cafeteria rules will be strictly enforced.

These rules require a student to:

- Arrive at the cafeteria on time and in an orderly way.
- Line up single file.
- No cutting into the lunch line.
- Remain in original seat at all times.
- Do not loiter in a group within the cafeteria.
- Be responsible for cleaning up items dropped on the floor or table.
- Do not take food or drink out of the cafeteria.
- Request permission to use the restroom.
- Do not solicit for funds or sell food / candy during the school day.
- Do not bring open cans or bottles of soda into the cafeteria; cans or bottles must be discarded before leaving the cafeteria.
- **Celebratory food and/or large quantities of food to be shared is not permitted to be brought in by students or dropped off by parents.**
- Food offered during classroom celebrations should be consistent with the district Allergy and Health and Wellness policies. All food items must be pre-approved.

MYSCHOOLBUCKS.COM

The Seneca Valley School District is pleased to provide a cafeteria payment service over the internet. Seneca Valley now accepts payment for school meals through the myschoolbucks.com online payment service. There is no fee to setup an account and view your child's meal purchases, balances and to set up automated email notices when your child's meal account falls below a dollar amount you specify. There is a fee for

using myschoolbucks service to make an online payment; they accept Visa and MasterCard. Please visit www.mySchoolBucks.com for more information.

COMPASS

For students with financial need, free and reduced lunch applications may be submitted online to the PA website at www.compass.state.pa.us printed from the Seneca Valley website or picked up in the school office. A new application must be completed each school year to qualify for benefits.

POS

The cafeteria uses a Point Of Sale account system. The system tracks purchases and allows students or parents to apply money to the student's cafeteria account. Cash or checks can be applied to their account. Students are permitted to pay cash daily for their purchases.

Care of Textbooks

Each student is entrusted with various supplies for study. These may include textbooks, paperbacks, supplemental reading materials, lab manuals, etc. Because these materials represent a major investment for the school district, students should immediately report lost, stolen or damaged books to their teacher. If books or supplemental materials are damaged or not returned, students will be charged a replacement or rebinding fee at the time of the damage or loss.

Please place covers on your textbooks, handle them with care and assume complete responsibility for those materials assigned to you.

Transportation

Riding a school bus is a privilege and not a right. Proper behavior is an absolute necessity while riding on the bus. Don't compromise your safety or the welfare of others. Be considerate. Be responsible. Eating food, drinking beverages or using tobacco products on the bus is forbidden.

Student seating assignments will be made at the discretion of the bus driver. Students who are involved in any bus misconduct may lose their riding privileges. Those who are suspended from the bus are still mandated to attend school. Students should be at their bus stop five (5) minutes prior to the scheduled arrival of their bus in the morning.

PLEASE NOTE: A cell phone is a personal device, not a community device. Please use your cell phone responsibly. It is illegal to take photos and videos without consent and without the person knowing they are being captured on a cell phone. Also, a new policy is in place forbidding cell phones in our school restrooms.

Audio and Video Monitoring

The School Board has adopted a policy that authorizes audio and/or visual recording on school buses or school vehicles for safety, disciplinary or security purposes. The audio/video recordings on school vehicles would be exempt from disclosure under the Public Right to Know Law because such recordings constitute an educational record protected from disclosure by FERPA. Principals, their designees, bus garage

managers, and transportation department personnel are the only people allowed to view the recordings. Law enforcement may also view the recordings if school officials deem necessary. Each school bus or school vehicle with audio and/or visual recording devices, will post a notification in clear sight so driver and passengers understand their actions and communication may be recorded. The audio and or video recording will not be operating if the vehicle is used for other purposes not school related.

Temporary Change for Student Transportation (Exceptions)

Per School Board Policy 810 no transportation is provided for work, music lessons, dance classes, gymnastics, to visit a friend, or go to a friend's house so a parent can drive to an after-school event. Examples of requests that will be approved are: A death in the family, the hospitalization of an immediate family member, or when a temporary guardian is needed due to a parent(s)/guardian(s) being absent from home. Requests for "**Exceptions**" to transportation can be made by accessing "Transportation Requests" on the Transportation Department website www.svsd.net **Click on departments and from the drop-down menu, click on Transportation.** The links to transportation requests will be on the left of the web page. Each written request will be evaluated on an individual basis by the Transportation Director. The district will not add additional buses or loading zones (bus stops) or alter established routes to accommodate an individual transportation request. Any change is dependent upon the availability of space on the alternative bus.

Unless a request arises from an emergency situation, requests for changes in transportation assignments must be made in

advance and will not be granted on the date of the request. Processing requests may take three to five business days to complete. During the school day, contact the Transportation Department at 724-452-6040 ext. 1758. For bus emergencies (before 8:00 a.m. and after 4:00 p.m.) contact ABC Transit 724-473-4500. Valley Lines can be reached at 724-473-4411.

Custody Agreements or Daycare (Alternate Stops)

Parents sharing equal custody of a child or parents needing daycare before and/or after school may need an alternative stop location. However, only one alternative stop location can be requested. An alternative stop is only set up in case of a custody agreement or daycare. Parents and/or guardians need to alert the Transportation Department of an alternate address if needed. Requests for “**Alternate Stops**” to transportation can be made by accessing “Transportation Requests” on the Transportation Department website www.svsd.net **Click on departments and from the drop down menu, click on Transportation.** The links to transportation requests will be on the left of the web page.

The days for an alternative stop need to be consistent and a regular schedule. A regular schedule consists of specific days and is consistent each week of the school year. No alternating Fridays will be accepted. All alternative stops will be deleted at the end of the school year and parents will need to submit a request for an alternative stop before the beginning of the following school year. Processing requests may take three to five business days. The district will not add additional buses or loading zones (bus stops) or alter established routes to accommodate an individual transportation request. Any change is dependent upon the availability of space on the alternative bus.

No requests for alternative stops will be taken during the first few weeks of school. Parents missing the deadline will be responsible for transportation.

Lost Items on the Bus

It is best to contact the bus garage immediately when an item is missing. The garage managers are able to call the driver to confirm if the lost item is on the bus. Please have the bus number available before calling the garage. Please call ABC Transit.

Proper behavior is an absolute necessity while riding on the school bus. The bus driver has the authority to enforce discipline on the school bus as the teacher has in the classroom. Student behavior on the bus should be an extension of their classroom behavior. Student responsibilities are as follows:

- * Report to your bus stop no earlier than five minutes before the bus is scheduled to arrive.
- * While waiting for the bus, stay a safe distance from the roadway. Shoving, tripping or fighting is strictly prohibited. Bus stops are not play areas!
- * Board the bus in an orderly, safe manner and go directly to the seat assigned to you by the driver. Remain seated until the bus comes to a complete stop at the school or at your bus stop.
- * Do not distract the driver’s attention from driving. Any talking must be done quietly, so the driver may concentrate and hear warning sounds inside and outside the bus. Please use indoor voices only.
- * Ask the driver for permission to open windows. You must keep arms and head inside the bus at all times.
- * Eating or drinking on the bus is not permitted.
- * Throwing objects inside or out of the bus is prohibited.
- * When the bus arrives at school, exit in an orderly fashion and go directly to your assigned room.

The primary reason for bus rules is student safety. Therefore, all requests from a bus driver to change your behavior must be obeyed. Drivers will document inappropriate bus behavior using bus conduct forms which will be sent to building administrators.

Closed Campus

To ensure the safety of our students, Seneca Valley School District maintains a closed campus environment. All building exterior entrance doors, including those doors at the main lobby, will be locked from the outside during school hours. Students must remain in areas assigned to them in their schedules. No student is permitted to be in the school building unsupervised or unauthorized, this includes after school hours for forgotten and/or lost items.

All visitors to the building must immediately report to the main office. Violation of this policy is a serious offense which may require the assistance of local law enforcement agencies.

Educational Trip Forms

The Seneca Valley School District recognizes that students may have the opportunity to participate in pre-planned trips and educational experiences during the regular school year. A written request (Seneca Valley Pre-Approved Educational Request Form) must be received at least two weeks prior to the actual trip. Pre-approval forms are available in the school office. Only one educational trip (maximum 5 consecutive days) will be approved per school year. The determination of each request will be based on the following: prior attendance records; current grades; previous requests; frequency of such requests; and the educational value of the experience.

Seneca Valley School District will NOT approve absences for educational tours or trips during the first two weeks, or the final two weeks of the beginning or end of the school year, nor during PSSA and Keystone testing.

It is the student's responsibility to obtain all classroom assignments before he or she

departs for their trip. It is further understood that all classroom assignments are due the day the student returns from the trip.

Field Trips

A student with excessive absences will not be permitted to attend school sponsored field trips or activities, if the activities require additional absences from regularly scheduled classes.

A specific dress code may be required for participation on the field trip. School dress code always applies.

Any field trip participant who is suspended or assigned to the Alternative Learning Center on a day of a field trip, will not be permitted to attend the trip and will forfeit any monies paid for the trip without refund.

Fire Drills

Fire exits have been posted throughout the building. When the fire alarm is sounded, students should follow the signs. When out of the building, keep moving to an area designated by your teacher. Return to your classroom when directed by the teacher or principal.

Food Allergies

Students with food allergies should inform the nurse's office and the cafeteria of such allergies in writing. Due to the severity of peanut allergies, peanut products are not sold in the cafeteria.

Grading

Report cards are posted on-line every nine weeks.

Grading Scale:

| | | |
|---------------|---|---|
| 90% - 100% | = | A |
| 80% - 89% | = | B |
| 70% - 79% | = | C |
| 60% - 69% | = | D |
| 59% and below | = | F |

Homeroom

Good order must prevail in homerooms at all times. Students should be in their seats when the 8:55 a.m. bell rings. Those not in homeroom at 8:55 are considered tardy. Students are not permitted to leave homeroom during announcements, unless they have been given permission from a staff member.

Library

The Seneca Valley Library program provides both print and digital materials for our diverse community of students. Our schools have comprehensive, up-to-date library facilities and technology resources for instruction and practice. These resources help to create information-literate students who are effective users of data to support learning. By promoting recreational reading, we encourage students to appreciate and value literature.

For grades 5 through 12, library is not a weekly class; instead the library is a resource classroom for all. Students will be scheduled in the library by class for research skills instruction and to choose novels. At the card catalog's website, <http://destiny.svsd.net> students can access the card catalog, e-books, digital databases and other resources.

Students are responsible for returning the library books by the due date. Fines are charged for overdue materials at an established rate of 5 cents per day. It is our goal in the ECMS/HMS Library to meet the information and curriculum needs of our students and faculty.

Lost and Found

Any person finding articles that someone else may have lost should take the articles to the main office. A lost article may be reclaimed after proper identification of article has been established. All unclaimed items will be donated to a good cause after a reasonable length of time.

Lost books that are submitted to the office will be returned to the appropriate subject area teacher.

You are responsible for all materials which are assigned to you and you will be required to make payment for any lost books or other school materials.

Making Up Missed Assignments

After an absence, it is the student's responsibility to see each teacher and make up all classroom assignments. Students will be afforded the same number of days to make up assignments as the duration of their absence (except for pre-approved education trips). See the previous section "Educational Trips."

All homework requests should be made through the office by 9:00 a.m. as to the expected length of the absence and the need for homework assignments. Parents can pick up their child's missed assignments by 3:30 p.m. on the day of the request.

Media Release

As part of an on-going process to generate good news about our schools, the Seneca Valley School District often invites the media inside the classroom to learn about our outstanding academic programs and events. **If you do not want to appear in either a photograph or to be interviewed for a story, parents should provide written notification to the building principal.**

Morning Arrival

Students arriving between 8:40 and 8:55 a.m. must report to, and stay in, the designated student area. They will be dismissed at 8:50 a.m. to go to their lockers and homerooms.

Obligations

Students are responsible for the satisfactory settlement of costs for lost or damaged books and other school property, unpaid fees, school equipment not returned, etc. A student who has incurred this type of debt must satisfy all obligations at the end of each grading period.

Rest Rooms

You may use the rest rooms before and after school, between class periods, and during lunch periods. You are expected to keep them clean! If you are feeling ill, report to the nurse's office; do not remain in the rest rooms. Students are to refrain from asking for a rest room pass during class time except for emergencies. If this is necessary, make sure to follow the classroom sign out procedure in each classroom.

Sale or Transactions

The selling or purchasing of items in school between students is not permitted without permission from the principal.

Students Rights and Responsibilities

School Code 510 PA Code (Title 22) 12.1

Above and beyond these general responsibilities, students have specific rights and responsibilities in the following areas:

Religion:

Right: The school may not interfere with your right to observe any religion (or none at all if you wish) by requiring or conducting religious exercises for you.

Responsibility: Each person has his/her own personal beliefs; you have the responsibility to respect the religious beliefs and observances of others.

Speech and Expression:

Right: You have the right to express your views, either orally or symbolically.

Responsibility: When expressing yourself, you must do so in a manner that does not materially or substantially disrupt the instructional environment. You may not, in expressing yourself, violate another person's rights by using slanderous speech or expressions.

Flag Salute and Pledge of Allegiance:

Right: You may not be forced to take part in the salute of the flag or pledge of allegiance if doing so violates your beliefs or values.

Responsibility: If you refuse to participate in the salute to the flag or pledge of allegiance, you may not disrupt the activity of others who choose to do so.

Suspension and Expulsion:

Right: Before you may be suspended from school for ten days or less, the suspending school official will:

- a. Tell you what rule you have broken;
- b. Explain to you why he/she believes it;
- c. Give you a chance to tell your version of what happened.

Responsibility: You have the responsibility to follow school regulations. You are not shielded from suspension 'properly imposed' according to the above procedures. In such cases a hearing in which the above rules are followed should be given as soon as practical after you are suspended.

Racial Discrimination and Segregated Schools:

Right: The state, or any other governmental body, may not establish racially segregated schools, thus depriving you of your right to an education regardless of race.

Also, every student has the right to an education without any interference. Any acts of hatred toward the race, color, religion or natural origin of another individual or group of individuals can disrupt the educational atmosphere.

Responsibility: To hold respect, understanding and appreciation of each person's worth and individuality, regardless of race.

Sexual Harassment:

Right: Every student has the right to an education without any interference. This defines an educational atmosphere free from unwelcome sexual advances, requests for sexual favors, or other inappropriate verbal, written or physical conduct of a sexual nature.

Responsibility: To respect and appreciate each person's worth and individuality regardless of gender or age.

Abuse - Physical, Emotional, Neglect, etc.

All employees of the Seneca Valley School District are identified as Mandated Reporters of child abuse. This means that if abuse of any kind is suspected of occurring to a child in our care, it must be reported to the appropriate authority. Reports of abuse can be made by the student involved or anyone who suspects that abuse is occurring. Staff members who become aware of, or suspect, an abusive situation are required to report suspected abuse to the Guidance Counselor, Nurse, or Building Administrators, Staff members may also contact Childline directly at 1-800-932-0313.

Withdrawal and Transfer

If you are moving to another area or permanently withdrawing from school, you must first officially notify personnel in the school office and sign a withdrawal form. All parents/guardians of students leaving the district must complete an exit survey.

Discipline

Student Discipline

The Seneca Valley School District has adopted a district-wide unified discipline code. We encourage all students to familiarize themselves with this policy, so that an effective and consistent learning environment may be created and maintained in every classroom and throughout our school.

If learning is to prevail, discipline policies and procedures aim to protect and nurture the physical, social, intellectual and emotional health and growth of our students and staff. In addition, these regulations specifically must limit the opportunity of any individual to interrupt another student's educational growth.

These policies and procedures recognize:

- The inherent dignity and rights of each individual;

- Our society's devotion to humanitarian ideals and loyalty to the principles of freedom, justice and equality;
- The need for direction and encouragement in developing a sense of responsibility for one's actions and decisions; and
- One often has to subjugate one's personal inclinations, whims and comforts to achieve the greater goals of the school and society.

The following principles are guides that school personnel follow in the enforcement of these policies and procedures.

1. All students have worth and dignity! Our school strives to use positive ways of guidance which help communicate belief in self-worth and recognize student needs in relation to their personal growth and histories.
2. All students have the capacity to learn cooperation and respect for others. The school attempts to provide a climate in which mutual respect, trust and communication prevail.
3. Students must understand the reasons for discipline policies and procedures and to foresee the consequences of their behavior and actions.
4. All policies and procedures must be consistently enforced to maintain an attitude of fairness for all students.
5. All students have the right to receive their education in an appropriate learning environment and violations of that right by other students will not be tolerated. Students exhibiting disruptive behavior may be removed from a class with a failing grade for repeatedly destroying another's opportunity to learn.

Academic Integrity

Plagiarism is defined as taking or imitating the ideas, thoughts or language of another to represent them as one's original work. It is imperative that all work submitted by the student be representative of his/her own ideas, thoughts and especially language capability. Therefore, plagiarism is strictly prohibited in all work pertaining to school. If the ideas, thoughts or language from another source must be used in academic work, it is the student's responsibility to cite or annotate the information appropriately.

Academic dishonesty is not limited to plagiarism. This includes cheating on tests, quizzes, or homework, as well as the electronic transfer of academic material from one student to another and taking any curriculum or testing materials from a classroom. Teachers will determine the academic consequence. Upon administrative investigation, additional consequences may be enacted.

Classroom Disruptions

When a student is removed from class for a disruption, he or she must report directly to the principal's office as dictated by the offense.

Discipline Notification

If disciplinary consequences are issued to a student, an attempt will be made to notify the parents/guardians.

Fighting

Fighting is NOT permitted at any time! Violators will be subject to disciplinary action and/or criminal penalties.

Discipline Records

Records and verified reports of students involved in recurrent or serious infractions will be maintained beyond the end of the school year. These records may be referenced and included in determining future disciplinary actions for a student.

Late Arrivals to Class

A student is considered tardy if he or she is not in their assigned seat when the class begins at 8:55 a.m. All tardy students must go through the main office and provide a note why they are late.

Public Show of Affection

There is to be absolutely NO public show of affection in the school, on school grounds, or on school buses! Violators will receive disciplinary action.

In School Suspension
