

School Messenger sent June 10, 2024

Good morning,

As we begin to prepare for the upcoming school year, the purchase of parking permits for those eligible drivers (Sr's & Jr's with a license) has been scheduled and the dates and times that are listed below. Attached to this message are the rules/regulations for drivers, the permit application, and the drug testing consent form. We would ask that from that attachment, you read the rules and print/complete the application. Bring the application with you along with a copy of your driver's license, the registration for the car(s) that you will be driving, the drug testing consent form, and payment during any of the times below.

An initial drug test is required to get a parking permit and will need to be done during these times and is an additional \$32 fee. For the drug test, please complete the attached drug testing consent form and bring it and a separate payment to one of the time periods below.
