

WE GET TO PERFORM!

In light of the news that the marching band & auxiliary will be able to march their pre-game show, we are collecting the annual uniform use fee for ALL students. This year, included in the **\$15** uniform use fee, each student will be given an SV Marching Band mask to wear as part of their uniform. Unless otherwise noted, **all monies and forms need to be turned in by Wednesday, September 23rd.**

Shoes:

- Dinkles are the only shoe that instrumentalist band members are permitted to use. Students were fitted at band camp and the order was placed for all new band members and returning members who needed a new size. The amount due for the shoes is \$35.

Band Jackets & Duffel Bags:

- Under normal circumstances the Seneca Valley Marching Band jacket and duffel bag would be the only jacket/bag permitted to be worn over the band uniform for performances. An exception is being made for this year, **only**. With that said, we are offering you the **option** to purchase these items if you wish to do so. When ordering, do keep in mind that these items may take a month or more to be delivered.
- For those interested in purchasing jackets, students will be fitted during band practice on Wednesday, September 23rd. A minimum deposit of \$75 is required when ordering a band jacket with the balance due Thursday, October 8th.
