

Pom Pon and Colorguard Information Packet for 2019 Try-outs

The Seneca Valley School District's revised policy for drug testing eliminates being tested for one-day try-outs. If a student is selected as a member of the Pom Pon or Colorguard squad they will need to be tested prior to band camp for the 2019-2020 school year.

Dear Parent(s) or Guardian(s):

Please read carefully the attached rules, regulations and demerit system for the Band Auxiliary Units. Please sign the form, tear off and return to your advisor at the first practice.

(No Form-No Practice).

If you have any questions concerning the following procedure, please call Katie Huttinger, Co-Advisor at 452-6040 extension 1639.

Students in grades 8, 9, 10 and 11 are permitted to try-out for auxiliary units.

Following try-outs, if a judge has left an incomplete scoring sheet, that judge's scoring sheets will be discarded for all candidates.

The practices will be held in a closed gymnasium. Only the advisors and candidates will be allowed in the gymnasium during practices. **No spectators will be permitted. In addition, no spectators will be permitted in the try-out area.**

BAND AUXILIARY RULES AND DEMERIT SYSTEM

It is the responsibility of the advisor to use her good judgment in recording demerits for each auxiliary member.

Demerits may be recorded for poor behavior in connection with school functions not involving band auxiliary units. **A Seneca Valley Band Auxiliary member represents her school in and out of uniform.**

An accumulation of **20 points** will warrant a recommendation to the administration for expulsion from the unit for the entire year.

An accumulation of **15 points** will result in a 3 game suspension.

An accumulation of **10 points** will result in a 1 game suspension.

All demerits are cumulative for the entire year.

All demerits are in addition to school disciplinary actions. For any problem that involves specific school disciplinary action, demerits may be assigned in conjunction with, and according to school district policy.

Pom Pons Information

The **POM-PON** squad will consist of a maximum of 28 girls and a minimum of 20 girls, with an average score of **80** points or higher.

If a tie exists for the last position, the points in the Dance/Pom/Kick line category will be totaled and the girl with the highest score will be selected for the squad. If a tie still exists, the total score from the Dance/Pom/ Kick Line category and the Pom Routine (Parade Poms) will be combined to determine the girl selected to the squad.

In order to be eligible for captain you must have participated in an entire preceding fall season of activities.

The POM-PON squad will have three captains.

The girls with the top 6 (six) try-out scores will choose their own music and choreograph a one minute routine using any prop. (large poms, small poms, hat, cane, boa, etc.) They will then perform it for the squad after they have been asked questions by the advisors. The girls with the top six (6) scores will also create 2-8counts of arm movements that will be taught to the squad at that time. These movements may not consist of anything that old members of the squad may have learned in the past and must be taught within 6 minutes. The advisors will score this part of the tryout. After all of the girls are finished, a secret ballot vote will be held for captain. Each vote will count as one point and will be added to the score from the teaching technique that the advisors gave. The top 3 highest scores will become captain.

Responsibilities of the Pom Pon captains:

You are an extension of the advisors. The advisors make all decisions. Captains will assist the advisors in the choreographing, teaching, and reviewing of the routines. When the advisors are not able to attend practice the captains are responsible for running a productive practice.

In the opinion of the advisors, if these girls do not fulfill their leadership responsibilities, they may be removed from their position after meeting with the advisor, band directors and principal.

Colorguard Information

The **COLORGUARD** will consist of a maximum of 28 girls and a minimum of 20 girls, with an average score of **80** points or higher.

If a tie exists for the last position, the points from the Individual (C) category will be totaled and the girl with the highest score will be selected for the squad. If a tie still exists, the total score from the Individual (C) category and the Flag Handling (B) category will be combined to determine the girl selected to the squad.

NATIONAL LINE will consist of 4 members within the color guard team. The national line will present the banner, American Flag, and guard at the front of the marching band for all PARADE events throughout the year (including the annual band trip). During all other marching band performances (half-time/field shows), they will perform as a part of the color guard. Members on the team may volunteer for national line, otherwise there will be a second audition held in September to determine who will fulfill this responsibility.

In order to be eligible for captain you must have participated in an entire preceding fall season of activities.

The COLORGUARD will have three captains.

The girls with the top 6 (six) try-out scores will choose their own music and choreograph a one minute routine using any piece(s) of equipment. They will then perform it for the squad after they have been asked questions by the advisors. The girls with the top 6 (six) scores will also create 24 counts of flag work that will be taught to the squad at that time. These movements may not consist of anything that old members of the squad may have learned in the past and must be taught within 6mins. The advisors will score this part of the tryout. After all of the girls are finished, a secret ballot vote will be held for captain. Each vote will count as a point and will be added to the score from the teaching technique the advisors gave. The top 2 highest scores will become captain.

Responsibilities of the COLORGUARD captains:

You are an extension of the advisors. The advisors make all decisions. Captains will assist the advisors in the choreographing, teaching, and reviewing of the routines. When the advisors are not able to attend practice the captains are responsible for running a productive practice.

Permission Form for the Seneca Valley Band Auxiliary Units

PLEASE DETACH AND RETURN AT THE FIRST PRACTICE

Please circle the squad you are trying out for.

_____ has my permission to try out for **Pom-Pon or Colorguard**. I realize if she makes a squad she will have certain responsibilities. She will have to participate in all football games, the pie festival, the band festival, all parades (including homecoming), attend all fundraisers and attend band camp at Seneca Valley two weeks prior to the opening of the school year. She will also have the obligation to be at summer practices.

There are many expenses involved with the band auxiliary units. She will have to purchase uniform accessories, such as boots, warm-up suit, tights, bag, etc. Please check the information packet for estimated costs for each group. In the event that a uniform or any of her equipment is lost or damaged, she will be responsible for paying for it.

Since my daughter will be involved with strenuous activities, I am aware of the possibility of physical injury. She must be covered by a medical insurance program.

My daughter is in good physical condition and I cannot foresee any physical deterrent to her fully participating with the band auxiliary units.

In the event of injury, I hereby waive and release any and all rights and claims for damages against the Seneca Valley School District and advisors.

I have carefully read and understand the rules and regulations and demerit system used for the band auxiliary units at Seneca Valley High School. Furthermore, my daughter and I agree to accept and adhere to all the rules and regulations.

I understand that the Pom Pon and Colorguard squads are student organizations run by adult advisors. The advisors have the authority to use their judgment in running the squads. I, as well as my daughter, will treat the advisors with respect.
