

SHARING INFORMATION WITH OTHER PROGRAMS

Dear Parent/Guardian:

To save you time and effort, the eligibility status determined by your Free and Reduced Meals Application may qualify your child (ren) for other district programs. This form is documentation that you are **OPTING OUT** of other programs the district and community may be involved with when providing free school supplies, weekend meals and holiday assistance.

No! I DO NOT want school officials to share eligibility from my Free and Reduced Price School Meals Application.

If you opted out, please fill out the information below to ensure that your eligibility is **NOT** shared for your child (ren). Send the completed form directly to the Food Service Office at 124 Seneca School Road, Harmony, Pa 16037.
