

Meet *The* School Counselor

Dear Haine Families,

I wanted to take the time to introduce myself to all students, families and staff. My name is Ashley Nardone, and I will be the new School Counselor for Haine Elementary! I am beyond excited to start this new journey with all of you. I look forward to getting to know students, families and staff on a personal level!

Prior to coming to Seneca Valley School District, I was an Elementary School Counselor at Northgate School District for nine years. My professional experience also includes individual therapy with children and adolescents as well as family therapy in the home setting. I have a Bachelor's Degree in Psychology, and a Master's Degree in School Counseling from Slippery Rock University. I love helping others, especially children and I take great pride in having the opportunity to shape young minds in a positive way to help them become successful individuals.

We have several supports that are offered through the school counseling program at Haine Elementary including but not limited to:

- Check-ins with students
- Small group sessions on a variety of topics
- Classroom lessons focusing on a variety of topics such as career education and social and emotional learning
- Helping families find appropriate resources for their needs
- Assistance with behavior management
- Assistance in educational support

Our counseling department has strong relationships with several community resources for families and students to provide programs and support that help build student and family growth.

If you have any questions, please feel free to contact me at nardoneal@svsd.net. We are going to have a fantastic year!

Best Wishes,

Ashley Nardone, M.Ed

Haine Elementary School Counselor
