

# IMPORTANT INFORMATION (2023-24)

~~PLEASE POST~~

Inclement weather changes the operation of our school and our Kindergarten Program. The most important factor for you to remember is a school delay does not cancel either session of Kindergarten.

## **SCHOOL DELAY (two hours):**

In the event of a two hour delay, the new starting time for our AM Kindergarten session and Grades 1-4 will be 10:55 a.m. Students should not be dropped off prior to 10:40 a.m. as supervision will not be available until that time. Busses will arrive at the bus stop two hours later than the scheduled pick up time.

The Morning Kindergarten class rides the regular busses and begins school two hours later. Their dismissal time will be 12:43 p.m. Please note this change in their departure!

The Afternoon Kindergarten class will be delayed. The new start time will be 1:37 p.m. Doors will open for the session at 1:30 p.m. Please note this change in their arrival time! Dismissal will occur at the regular time.

The School Messenger will notify you regarding any delays or school cancellations. You may also obtain this information as listed under the "Emergency Delay/Closing of School" section of the Student Handbook. Thank you for your patience and understanding in assisting the school district when inclement weather occurs.

**UNPLANNED EARLY DISMISSAL:** This type of schedule change is unlikely to affect kindergarten, however the possibility does exist. Therefore, it is essential that if you are not home, you have a well-communicated plan for your child.

**Remember, if there is a two hour delay...**
