The Female Athlete of the Month for March is girl's lacrosse attacker/midfielder Lorena Lopez. The senior has had a hot start to the season, contributing goals or assists in all seven games for the Raiders. She leads the team with 37 goals, averaging five goals a game. Lorena has also chipped in with five assists and over 27 ground balls. Her performances have lifted her team to four wins, one draw and two losses, including a 3-1 section record, good enough for third place. Lorena's stand out game came in a 19-15 victory over Shaler where she tallied 8 goals. She has also scored a hat trick (three or more goals) in five of seven games. We recognize Lorena as the March Female Athlete of the Month. Congratulations Lorena!

The Male Athlete of the Month for March is senior boy's tennis player Michael deVyver. Michael came into the season as Seneca Valley's #1 singles player and has certainly lived up to that billing. He is 6-2 on the season in singles matches, leading the Raiders to a .500 record halfway through the season. Michael also represented Seneca Valley at the 2024 Boys Tennis Western Pennsylvania Interscholastic Athletic League (WPIAL) Section Individual Playoffs, where he came in 4th place, the highest finish for a Seneca Valley boy's tennis player in 24 years. With his accomplishment, Michael qualified as the 11th seed for the Boys Tennis WPIAL Singles Championships. For an impressive month, we recognize Michael as the March Male Athlete of the Month. Congratulations Michael!
