

INTERNSHIP & EMPLOYMENT

Help students in the community enhance their learning!

Information

- Internship & Employment is a course offered to Seneca Valley students in grades 11 and 12.
- The Internship & Employment Program is a unique combination of working at a job in the community and learning skills needed by any person who plans to work.
- Students must be employed or interning Monday through Friday.
- Student grades are based on monthly hours reports and quarterly employer evaluations.
