SUPERHERO PAPER DOLLS

FOR CVE AND ROWAN ELEMENTARY
SVSD’s bully prevention program would like to connect ideas from elementary students with secondary students and vice versa.
In an effort to do that, CVE students have made us paper dolls with messages about how to be a good buddy.
I can be a good friend by helping people when they are down and sad!

Say, do you want to play with me?

They will be put on display outside of the guidance office. Stop and take a look at them some time. They are really cute and have some great messages for you.
In return, we will make “Superhero” paper dolls for the elementary students to display in their school.

• Each 4\textsuperscript{th} period class is being asked to make two boy dolls and two girl dolls. (Dolls provided – you just need to decorate them)

• We will send half to Rowan and half to CVE. If you have a little brother or sister at one of those schools, write the teacher’s name on the back and we will try to make sure it goes to that classroom.

• Your CARE class has until April 22\textsuperscript{nd} to complete the dolls. If you want to work on them on non-CARE activity period days, that is OKAY. 😊
Please work together to:

Determine what super-hero message your paper doll will have:

• Keep it kid-friendly
• Keep it positive
• Keep it simple
• Make it legible
Please work together to:

Decide how you will decorate your paper doll:

- The elementary students used markers, crayons, glitter, googly eyes, etc. If you need markers or crayons, send someone to room 214 to borrow some.
- Be creative.
- Is there anyone in your class who would bring in some of the crafty supplies? We realize that most high school classes don’t have the above materials. If you have some at home, feel free to bring them in to decorate the dolls.
- Since they are superheroes, you may want to add a cape before you cut them out, or draw a superhero costume on it. Have fun with it.
Please do not:

• Send back a doll that is just written on with pencil. Try to make it colorful & something that the elementary students would enjoy looking at.

• Leave it to one person to do all the work.
When you finish (by April 22\textsuperscript{nd} please):

Write the following on the back:
\begin{itemize}
  \item Room number
  \item Grade
  \item Teacher name
\end{itemize}

And then bring the dolls to:
ROOM 214
If your class would like to send a class photo along with your paper dolls, you are welcome to (but it is NOT required).

• Have someone take a group photo of the class
• Email it to Mrs. W @ williamsccm@svsd.net
• I will print it and include it with your paper dolls. The elementary students would love to see who made these for them.
