

Dear Parents and Guardians,

Hello and welcome to fourth grade! Your child will be embarking on a wonderful learning experience this year. The fourth grade is a crucial point in your child's education. Prior to this year your child has been learning to read, this year they will be reading to learn. Reading strategies that they have been learning over the past four years will now be utilized to help comprehension across all content areas.

In order to better prepare your child for the upcoming school year, please see the suggested list of school supplies that will be collected and distributed as need in the classroom.

- Pencil pouch/bag
- Earbuds/Headphones (in a baggie or case)
- Dry Erase Markers
- Sharpened #2 Ticonderoga pencils (2 packs)
- 1 pack pencil cap erasers
- Tissues
- Hand sanitizer
- Disinfecting wipes

****Some teachers may request a binder / composition notebooks (used as a writing/reading notebook) for each student - this information will be relayed as the school year begins.**

We are looking forward to working with you, enriching strengths and strengthening weaknesses, and exploring new territory together. It's going to be a fantastic school year!

Sincerely,

C.V.E.'s Fourth Grade Teachers
