

Appendix B: Approved Lists for Individual Student Snacks and Classroom Celebrations

Seneca Valley School District

SUGGESTED FOOD FOR SCHOOL CLASSROOM CELEBRATIONS

This list does not provide absolute protection for students with specific or general allergies. The implementation of approved food list is not intended to replace medical advice from physicians or other healthcare providers. Individual students with food allergies must file an Allergy Action Plan with the school's nurse.

These brand names are listed because they publish allergen safety information.

1. Drinks for parties will be limited to water, milk or 100 percent juice.
2. Items that are being shared with the class must be store bought/cafeteria-purchased and individually wrapped.
3. If a label says product "may contain traces of peanuts/nuts" or "processed with" or "processed on" or "shared equipment," **it is not a safe snack.**
Please note that manufacturers often change their production lines, methods and labeling. Therefore, it is important to check the product at the time of purchase.
4. Non-food items for birthday celebrations and parties are acceptable and encouraged. Such items include: pencils, erasers, bookmarks, stickers, coloring books, crayons and small safe novelty items. Check with your child's teacher for other ideas and to make sure novelty items are acceptable for the classroom.

****Please note that the SV Approved Snack List is part of the District's Wellness Policy. It addresses nutritional standards, but not all allergies. Please be aware of this when deciding on snacks for classroom celebrations.***
